Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Monday 08 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry with clear spells.

This Evening and Tonight:
Mostly dry with light winds and prolonged clear spells, allowing for a cold and frosty night. However, the far north and east in the region is likely to be cloudy at times, which may prevent a frost forming. Minimum temperature -1 deg C (30 deg F).

Tuesday:
Generally dry with bright or sunny spells and light winds. Becoming mild after a chilly start. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Windy Wednesday with rain, persistent at times. Turning very windy overnight into Thursday with heavy showers and coastal gales. Remaining breezy on Friday with further showers.
